

ATTENTION PAT-MED
FACULTY AND STUDENTS

THE THIRST PROJECT

WHAT? The Thirst Project aims to bring safe drinking water to communities around the world.

PRESENTATION! On Monday, 10/1, speakers will be coming in to Room 216 @ 2pm.

DONATIONS! This Homecoming Season, the Key Club will be collecting money through the 'Water Wars'.

HOW? Each of the 4 classes, plus the faculty, will be assigned a water jug to collect money through a points system.

WHERE? You can find your jar at Raider Bowl, at float site, and regularly at the main office. Let's see who wins!
